

On April 16th Clothing Our Kids (COK) was the grateful recipient of a \$5,952.92 donation from the Dogfish Head “Tasting Room and Tours Tip Program”.

COK Board Members Kate Gibson and Bob Blouin along with Communication Director Kathleen Blouin were on hand to accept the donation. Kate thanked the group and assured them that the donation will go a long way in helping the children of Sussex County with essential school clothing.

Mark Carter, Dogfish Head Companies, Beer & Benevolence Guru said, “Dogfish Head is happy to support the work that COK does for the community. The ‘Tasting Room and Tours Tip Program’ is part of the Beer & Benevolence branch of Dogfish Head Craft Brewery. We endeavor to creatively collaborate with nonprofit organizations to foster community, nourish artistic advancement and cultivate environmental stewardship.”

COK is a not-for-profit 501(c)(3) charitable organization whose mission is to improve the lives of at-risk elementary school children by providing them with appropriate school clothing. In Sussex County 23% of our children live below the poverty level and do not have essential school clothing which has a direct negative impact on their self-esteem, school attendance, ability to learn and can lead to bullying. It is our goal to assist these youngsters with an equal start in their education and help them become successful students.
