

Giant Food Community Bag Program

Dear Volunteers,

Clothing Our Kids (COK) has been selected to be a part of the Giant Food Community Bag Program, which is designed to make it easy for customers to contribute to their local community while supporting the environment.

For the month of August, each time a reusable \$2.50 Community Bag is purchased at the Giant Foods located at 25939 John J Williams Highway in Long Neck, \$1.00 will be donated to COK. Bags can be found at various registers in the store and at the reusable bag racks. This is a great way to raise awareness of our organization, support the environment and fundraise for our KIDS.

We can begin by not only purchasing Bags on our own, but also by spreading the news to our friends and family. The more people who learn about the program and purchase a Community Bag during the month of August, the more money we will raise for the KIDS in Sussex County needing appropriate school clothing.

Thank you for considering to be a part of this program.
