December 10, 2019

To All Of Our Friends,

As we enter this holiday season, Clothing Our Kids (COK) is preparing for its ninth year in operation. It is simply amazing how far we have come as an organization in our mission to help the children of Sussex County. However, we are much more than a group of individuals with a common purpose. We have become a family, fostering friendships rooted in a spirit of caring and sharing not just for the kids, but for each other as well.

I would like to thank our valued volunteers for the time and effort that you so unselfishly give to build a foundation from which COK is able to create a better way of life for these vulnerable children. Our team lays the groundwork to enable the kids to build self-esteem and confidence, which empowers them to achieve academic excellence without the constraints of fear. You make every child's future brighter.

Another extremely important part of our COK family is our network of benefactors and sponsors. Whether you are a financial donor, a sponsor of our annual golf and auction fundraisers, or a patron who comes out to support us, we value your friendship immensely. Your generosity has enabled us to provide over 128,000 articles of clothing to over 22,000 kids since our inception in 2012. This fall 2019 alone, COK has already served the needs of over 2400 kids.

I cannot thank all of our family and friends enough for choosing Clothing Our Kids as your charity to champion. We know you have many choices for your good will and compassion. Please rest assured that you are all change makers in the lives of our local children.

Many blessings for a wonderful holiday season,

Kate
