Dear Friends,

As you are aware, our government has taken steps to curtail the spread of the COVID-19. These measures include postponing any non-essential gatherings involving large groups of people.

Out of an abundance of caution, we have decided that it is incumbent upon us to postpone our second annual auction party scheduled for April 16th.

Our plan is to reschedule the event later this year once the virus threat has subsided.

For those of you that have purchased tickets, at your option, we can refund your money now or credit it forward to the rescheduled date, when announced. Further, if the new date does not work for you, at your request, a new timeline for refunds will be addressed.

We are very grateful to everyone for supporting Clothing Our Kids. Whether you are a volunteer, ticket purchaser, or a business or individual who has provided us with an auction package, thank you so much for your generosity.

We sincerely hope you, your family, and friends remain safe and healthy.

The Kids of Sussex County thank you.
