### **CLOTHING OUR KIDS (COK) RECOGNIZES TWO OUTSTANDING BOARD MEMBERS AND ANNOUNCES FOUR NEW MEMBERS**

**Pictured Chris Kellogg and Dr. Jack Blannett receiving recognition for their combined 16 years of service to COK from VP Bob Blouin**

This month's COK Board Meeting recognized two outstanding Volunteer Board Members as they step down after each served an eight-year tenure. Vice President Bob Blouin presented Chris Kellogg and Jack Blannett with plaques acknowledging their tremendous volunteer efforts on behalf of COK. This is not the last you will be seeing of Chris and Jack as they have both agreed to stay on as Volunteer Advisors to the Board and will continue to be active in the Annual Golf Outing and the newly created Kruisin For Kids Car Parade. Jack has assisted COK with medical expertise especially during the pandemic, and Chris has brought a wealth of experience on Boards in establishing COK as a well-managed organization. Bob noted that the two gentlemen continue to be excellent examples of what it means to volunteer and help raise funds for the Kids.

**THANK YOU BOTH** for sharing your Time, Talent and Expertise on behalf of the Kids of Sussex County!

At the same Board Meeting, COK welcomed new Board Members: Merrill Cohen, Cheryl Parker, Heather Sells and Kyle Ricker. These four impressive individuals join the existing Board comprised of President Kate Gibson, Vice President Bob Blouin, Treasurer Mike Wezel, Karen Borges, Christophe Emmert, Nicole Miller-Silicato and Kathleen Schell.
