CLOTHING OUR KIDS

"BIDS 4 THE KIDS" ONLINE AUCTION

RUNNING FROM SEPTEMBER 16 THROUGH 28

Contact: kblouin@outlook.com

As the Sussex County kids head back to school, Clothing Our Kids (COK) is excited to announce an online auction to "dress them for success". It's the first ever COK online auction with the goal of helping improve the learning experience of neighboring at-risk children. In Sussex County over 20% of children live below the poverty level and COK's goal is to assist these youngsters with an equal start in their early education and help them become successful, well-dressed and confident students.

COK is fortunate to have benefited from the generosity of individuals and companies who donated terrific items to be included in the auction. Those treasures range from one of a kind and exquisite jewelry to a connoisseur's collection of the finest wines. Over 75 packages will be available for bidding online starting at 12:00 noon September 16 with the deadline for final bids at 12:00 noon on September 28 the day after the COK2021 Golf Outing.

With over 20 years of experience in the fundraising software industry providing innovative and secure solutions, our partner FrontStream's mission is focused on helping nonprofits to raise funds to do better. To help the kids and bid on these wonderful items, visit www.biddingforgood.com/clothingourkids or on mobile devices at bforg.com/clothingourkids. If you have any problems accessing the web site, kindly contact Bob Blouin (302)500-3209.

Clothing Our Kids is a 501(c)(3) organization solely dependent on the time and talents of 150 volunteers. There are no paid staff. And most importantly, over 90% of all proceeds go directly to clothing the Sussex County school children in need. COK's mission is offering an opportunity for every child to achieve excellence.
