

Our approach to learning is simple.  
Let them **DRESS**  
for **SUCCESS**.

"My granddaughter, brought home a wonderful bag of treasured clothing today. The kindness of your organization made my five-year-old granddaughter dance around the living room in a new outfit singing I'm beautiful. If smiles could light up the darkest sky my granddaughter did it today because of you. She said I can't wait to go to school tomorrow in a brand new outfit with my brand new jacket with the beautiful masks. Countless thoughts of thanks to everyone involved with this happiness explosion."

- Grandmother of Love Creek Elementary School Student

# C is for Clothing

At the close of the 2021/2022 school year, COK provided nearly 171,000 items of school clothing to almost 29,000 Kids!

Clothing Our Kids depends on a network of community partners as the primary source of referrals. Requests for clothing packages are accepted from the staff of these Sussex County partners:

- Head Start Programs
- Pre-K and Elementary Schools
- Middle Schools
- Boys & Girls Club of Delaware
- YMCA of Delaware

# O is for Our Mission

Our mission is to improve the lives of at risk Head Start, Elementary School and Middle School children by providing them with appropriate school clothing. In Sussex County, many children do not have essential school clothing which has a direct negative impact on their self esteem, their school attendance, their ability to learn, and can lead to bullying. It is our goal to assist these youngsters with an equal start in their early education and help them become successful students.

*"Speaking for myself and our club, if we could help only one charitable group, it would be COK. Your organization is doing God's work, and we're happy to be a part of that."*
