CLOTHING OUR KIDS 2022 (COK) BEACH BABIES CHILD CARE HOLDS A COAT DRIVE FOR SCHOOL KIDS SERVED BY COK

For over 17 years Beach Babies Child Care has been providing an environment that is safe, educational, nurturing and most of all fun at learning centers for children from two years old through those of preschool age.

In this giving season, Beach Babies hosted a coat drive to keep Sussex County school kids warm as they venture out to classes during the cold winter months. These items will be put to good use as COK fills orders from School Representatives on behalf of children who may not have appropriate winter wear.

Pictured is Ariana Sharp of Beach Babies who coordinated the drive. Many thanks to COK Volunteers Marilyn Corvigno and Janice Fowler who picked up the items and delivered them to the COK Volunteer Center.

As Founder Mary Rio recently said: "It's not just about new clothes, it's about a new life."
