CLOTHING OUR KIDS PRESS RELEASE COK ONCE AGAIN THANKS THE EMPLOYEES OF MOUNTAIRE FARMS FOR DONATING COATS TO SUSSEX COUNTY KIDS IN NEED

Contact kblouin@clothingourkids.org

It's become an annual tradition to benefit the kids. Through the generosity of Jennifer Lewis, Employee Relations Manager of Mountaire Farms, over 100 new warm and cozy coats were donated to the Sussex County Head Start, Elementary and Middle school kids in need. Jennifer called upon Mountaire staff to support the annual coat drive which took place during the month of October. As winter months approach, we are thrilled that our supply of coats for the kids is off to a promising start!

As Founder Mary Rio recently said: "It's not just about new clothes, it's about a new life."
