CLOTHING OUR KIDS (COK) PRESS RELEASE MAY 15 CARL M. FREEMAN FOUNDATION FACES PROGRAM GRANT PROVIDED TO CLOTHING OUR KIDS

Contact kblouin@clothingourkids.org

"It is with absolute pleasure to inform you that Clothing Our Kids has been selected to receive a \$10,000 Grant from the Carl M. Freeman Foundation FACES Program. Congratulations and thank you for all the tremendous work you do for our community!" stated Corrin Jones, Member of the FACES Program Selection Committee and Communications Engagement & Outreach Coordinator at Beebe Healthcare.

The Carl M. Freeman Foundation, a private family foundation established in 1960, has a long history of supporting nonprofit organizations – both large and small. The Foundation commits its time, talent and treasure to facilitate, support and promote innovative community-based leadership and giving.

Carl M. Freeman believed that to whom much is given, much is expected.

This Grant is fitting since the children served by COK have little, and it's the organization's goal to assist them with an equal start in their early education. COK has been blessed to be the recipient of Freeman Foundation Grants in the past, and the monies offer an opportunity for every child to achieve excellence with dignity. The ongoing support of good community partners such as the Freeman Foundation has allowed COK to expand into the Middle Schools. Those in 6th, 7th and 8th grades are as vulnerable and as much in need as their younger counterparts.
