CLOTHING OUR KIDS (COK) OCTOBER 27 THE STONEWATER CREEK LADIES CLUB SPONSORED A “PAJAMA PARTY” FOR SCHOOL KIDS IN NEED

Contact kblouin@clothingourkids.org

On September 6 the Stonewater Creek Ladies Club invited folks to join them for a “Pajama Party” asking that attendees bring along sleep items for the Sussex County school kids in need. Among the requested items were pajamas, sleep pants and tees for Head Start, Pre-K, Elementary and Middle School kids.

The Stonewater Creek Ladies Club is a loyal partner to COK. They’ve held different themed and creative clothing drives in the past few years, and we are most grateful for their efforts. This year yielded 136 pairs of pajamas and a generous cash donation to purchase more cozy sleep attire for our kids. Currently the COK Volunteer Center is overwhelmed with orders from school representatives, and we truly appreciate the help of our clothing drive partners. COK buyers and Center staff are finding it difficult to keep up with incoming orders that they usually turn around in a day.

Pictured below are Joni DiMaso, Cathy Stuckey and (Captain) Ellen Herritt. (Captain) Ellen mentioned to COK Volunteer Brenda Faherty that the Stonewater Creek Ladies love working with COK. The feeling is mutual!
