

DONATION TO CLOTHING OUR KIDS IN MEMORY OF GREY BRANSON

Christmas memories - what started as a way to give "gifts" to our sweet Grey Branson who passed away in October 2019, has continued to grow each year as we started the tradition of a legacy gift each Christmas in his memory. As a family, each year at Thanksgiving we pick a cause which reminds us in some way of Grey. This year we chose Clothing Our Kids whose mission is to improve the lives of at-risk elementary school children by providing them with essential school clothing. For those who knew Grey you knew that he had style and loved to look his dapper best - whether in board shorts, or board shorts, or board shorts (lol). To kick off our charity, Kaylee designed a piece of artwork to share. She made "flowers" from some of her clothing, and some of Grey's, blending the two as an expression of the bond they shared as brother and sister. We will be collecting donations for our charity from now until Christmas. If you would like to participate you can venmo me (@Pam-Baker-10) or if you would like to donate in Grey Branson's name directly the charity is <https://www.clothingourkids.org>. You can also give donations to Grey's parents, Grey Baker or Colleen Baker. This was a facebook post - you can see the post at <https://www.facebook.com/pam.baker.5680>. I'm sending this to see if you are able to determine any donations in Grey Branson's name? We have been collecting and will be making a contribution before the holidays. If we could identify others to have a total raised it would be great. I would love the opportunity to bring my granddaughter Kaylee to drop off our contribution. let me know if that can be arranged. thank you!!
