The Polka Dot Powerhouse is an international group of exceptional women whose mission is to connect the world's most positive, action-forward, amazing women to build lifelong friends and business relationships. The Lewes Chapter of the Polka Dot Powerhouse voted Clothing Our Kids and the Sussex County school kids in need to be the recipient of the 2023 Polka Dot Powerhouse Dream Clothing Drive.

Attached is a picture of three representatives from the Lewes Chapter of the Polka Dot Powerhouse who headed up the Clothing Drive. From left to right are Mary Grace Barbye, JoAnn Moore, Pam McCutcheon, and COK Volunteer Diane Poletti. This dynamic women's group collected over 300 items of clothing in addition to \$250 from their four collection sites. Those sites included Summit Community Bank, Milton Public Library, Millsboro Public Library, and Good Earth Market. COK actually received additional donations directly from folks who saw their promotions at those locations. Upon delivering the clothing to the COK Volunteer Center in Millsboro, the three Powerhouse women were impressed with how organized they found the facility. They expressed a desire to further support COK and asked that they be advised of any special needs the organization may have.

*As COK Founder Mary Rio said: "It's not just about new clothes, it's about a new life."*
