The Fairway Village Community in Ocean View became aware of Clothing Our Kids (COK) after seeing an interview with President Bob Blouin on a local television station. So, they generously decided to choose COK as a recipient of their annual "Giving Tree" event. From December 3 through 14 the residents of Fairway Village collected hoodies and sneakers as well as a monetary donation. These items were delivered to the COK Volunteer Center by Nancy and Bob Lueckel, pictured below.

The Lueckels decided to tour the Center while making the delivery and were amazed by the amount of orders being processed showing the overwhelming number of Sussex County school kids that need essential new school clothing.

We were thrilled to share our busy workshop with them and cannot express how worthwhile their generosity is in helping COK fulfill its goal of offering an opportunity for every child to achieve excellence.

**As Founder Mary Rio said: "It's not just about new clothes, it's about a new life."**
