Lyndsey Dowling, daughter of Guy and Karen wrote: "It is with a heavy heart and deep sadness that I share that my Father, Guy Borges "Guybo" passed away December 26 after a short battle with Glioblastoma. He was a man like no other. He was an amazing Father, Husband, Pop, Father-in-Law, Friend, Mentor, Teacher, Boss, and even a Referee to many. I know after seeing this many people will have a story or memory to tell about my Dad...please tell those stores, share those memories, let's keep my Dad alive through memories and stories so his Grandkids can know the absolute best Pop lives on! People always told Annie and I how proud my Dad was of us...but I'm proud and always will be to call him MY DAD! RIP Guybo!"

Because Karen is so dedicated to COK, integral to its overall success and a pioneer of the organization, while Guy was a valued Volunteer, we share this sad news with all Volunteers. In memory of Guy, donations can be made to www.glioblastomafoundation.org. In essence, our Kids have a new angel watching over them. Until we meet again, Guybo!
