Founded in 1916 and federated in 1917, the Selbyville Community Club is affiliated with the General Federation of Women's Clubs. The Club is dedicated to strengthening the Selbyville, Delaware community by enhancing the lives of others through a variety of volunteer services. The Members of the Club felt a strong match with Clothing Our Kids' Mission and decided to assist in offering an opportunity for every child to achieve excellence through COK. Debby Hiob, President of Selbyville Community Club, organized a Clothing Drive to help our kids learn with dignity which also included funds for COK to purchase additional school clothing.

COK Volunteer Diane Poletti spoke with Club Members about the work of COK and thanked them for their generous donations. Pictured below is Selbyville Community Club President Debby Hiob.

**As Founder Mary Rio said: "It's not just about new clothes, it's about a new life."**
