CLOTHING OUR KIDS (COK) UPDATE – NOVEMBER 25 THE STONEWATER CREEK LADIES CLUB DELIVERS SCHOOL CLOTHING TO COK

CONTACT: kblouin@clothingourkids.com; (302)864-5537

Our KIDS are in luck! The Stonewater Creek Ladies Club collected 37 pairs of sneakers and 79 hoodies, which are the items most requested by the Sussex County students in need. Hence, it was very intuitive for this group to focus on clothing that the children will wear to feel good about learning alongside peers in similar dress. The Club was most generous to include a monetary donation in addition to the clothing.

The group truly appreciated touring the COK Borges Volunteer Center while delivering the clothing and check. Pictured in front of the building are Kathy Lane, Ellen Herritt, Joni DiMasio, Sandy Zielinski, and Cathy Stuckey.
