CLOTHING OUR KIDS (COK) UPDATE – MAY 2025 FOR THE SUSSEX COUNTY STUDENTS IN NEED OF APPROPRIATE SCHOOL CLOTHING, GENEROSITY SHINES ALL YEAR ROUND!!

Contact info@clothingourkids.org

Clothing Our Kids has been fortunate to enlist the support of so many businesses over the years. We want to express our gratitude to those who have been willing to place a clothing donation bin in their location year-round. Customers, clients, staff, and the public can be made aware of the need in Sussex County for school clothes for students, from Head Start and Pre-K through High School. Bins display the COK logo, along with an information flyer, and brochures which are available for those who wish to learn more about COK's mission and how to help.

Volunteer Anita Carter checks in with each business throughout the year. Bins can be found in the following locations: Davis Chiropractic, Joynt Physical Therapy, County Bank, Tait's Barbershop, The Dental Group (Followed by Volunteer Paula Sroka).

A HUGE THANK YOU to these businesses for their assistance in collecting new clothes for the kids!
