Oh, what a night! A few months back COK received a notice that The Schrockstars of Northrop Realty led by Toni Schrock had requested COK to be the beneficiary of net proceeds from the Second Annual Millsboro Chamber of Commerce Casino Night. Answering the call were COK's Rock Stars Michele Rogers and Janice Fowler of the Special Events Team in coordination with Co-Chair Monica Anthenelli. Michele and Janice worked with Nadine Timpanaro, the Chambers Executive Director, who was tireless in bringing all the moving parts together. Casino Night included Roulette Wheels, Blackjack Tables and Games of Chance, all with fun money provided by our hosts. In addition, there was a 50/50 and a slew of themed elegantly wrapped baskets which ticket purchasers could be lucky enough to win.

Aside from long-time COK Volunteers, our new Ambassador Team was well represented and invited friends and family to attend. They obtained a great education on how well respected the service that COK provides to the Sussex County students in need means to the overall community. The night was an incredible opportunity to promote the good work that our charity does to the Millsboro Business Community.

Putting the event together was no small feat for Michele and Janice and they did it all with great poise, beautiful smiles, sore backs, wonderful diplomacy, and just good old fashion hard work. We are proud of these two amazing Volunteers and how they represented COK to the Millsboro Chamber of Commerce. And COK is extremely grateful to Toni Schrock and her team as well as the Members of the Chamber for the generous \$2,000 donation. The night was a fantastic success for the Sussex County students in need.
