CLOTHING OUR KIDS (COK) DELIVERS 100 BOXES OF CLOTHING TO ALL SUSSEX COUNTY SCHOOLS PRIOR TO THE START OF A NEW SCHOOL YEAR – SEPTEMBER 2025

The beginning of every school year is hectic for Students, Parents, Teachers, Nurses, Counselors and all other School Staff, but it's also been busy for the Volunteers at Clothing Our Kids (COK). Over 100 orders were received at the COK Volunteer Center in Millsboro even before Sussex County schools opened for the 2025/2026 school year.

CoastTV and Telemundo Delmarva visited the Center to capture Volunteers at work filling those orders. The link to that video is [CoastTV News Article](#). COK Volunteer Center Director Karen Borges and President Bob Blouin are interviewed in the piece. And according to Sussex Central High School Assistant Principal Melissa White, their partnership with COK has already proven very successful. "If Students don't have all of the necessities to come to school wearing new and clean clothes, appropriate footwear, that's what kids are focused on. They're not able to invest the time and energy into their academics and their classroom instruction." Ms. White sees a clear difference in how students engage when their basic needs are met. "When they feel good about themselves, they're able to really focus on learning – on the content of their lessons."

To help COK help these Students and their Teachers, kindly consider becoming a Sponsor at the charity's largest fundraiser – the Annual Charity Golf Tournament – this year scheduled on Monday October 13 at The Peninsula Golf & Country Club in Millsboro. All profit from the Golf Tournament go directly to clothing the Students and is responsible for 40% of the COK clothing budget. Click [Annual Golf Tournament Information](#) for more information regarding the event.
