## **CLOTHING OUR KIDS (COK) PRESS RELEASE – OCTOBER 2025 GEORGETOWN RECREATION, EDUCATION AND ARTS TRUST (GREAT) FUND HONORS THE SUSSEX COUNTY SCHOOL STUDENTS IN NEED**

On September 22, at the Regular Georgetown Town Council Meeting, COK was awarded \$6,452 from the Georgetown Recreation, Education, and Arts Trust (GREAT) Fund. The Town Council established a Recreation, Education, and Arts Trust Fund, which is funded by means of a surcharge on all building permits, to allow for monetary distributions to nonprofit organizations providing recreational, educational, and cultural programs for the general benefit of the citizens of the Town. Under this program, eligible funding includes specific programs, program materials, or activities related to recreation, education, and the arts, which will benefit the citizens of the Town and Sussex County.

All kids are precious no matter what situation they were born into, and every child deserves to reach their full potential in their education. An obstacle for them is the distraction of not having proper clothing. With proper clothing, these students demonstrate remarkable resilience, determination, and hope. COK Volunteers are committed to the belief that having proper clothing enables students to arrive at school feeling confident and ready to learn. We want to ensure their wellbeing. We cannot fail them.

COK is extremely thankful to the Town of Georgetown and the GREAT Fund for this award which will help us to help our students.
