CLOTHING OUR KIDS (COK) NOVEMBER 2025 SHOES THAT FIT DELIVERS 1,000 PAIRS OF SHOES

What a day! COK received 1,000 pairs of quality sneakers from SHOES THAT FIT, a nationally recognized non-profit who believes a new pair of shoes can be life-changing for a child. Thirty Volunteers off loaded the 18-wheeler transporting the enormous shipment in an astonishing 30 minutes. The sneakers were then placed on shelves in the Volunteer Center ready to be delivered to our students.

Tremendous thanks to SHOES THAT FIT for this amazing gift. They feel that it's much more than the gift of shoes, it's the confidence children need to step forward into a brighter future. Huge thanks to our treasured Volunteers who helped today and to COK Grant Committee Member Joanne Glauser who applied for the Grant.

“One day, every child in America will be empowered to step forward into a bright future.” – SHOES THAT FIT
