Contact: kblouin@clothingourkids.org

Clothing Our Kids (COK) has a community of kind people whose generosity can make a profound difference in a student's life. Through the compassionate donations of the folks below in the final month, COK will end the year ready to meet our goal of serving every High School student in need through the 2025/2026 School Year in addition to all clothing insecure school kids from Pre K and Head Start through Elementary and Middle Schools. Hence, with these supporters and an army of liaisons, order takers, shoppers, packers, deliverers and administrative Volunteers behind the scenes, COK now serves over sixty schools in Sussex County.
