

## MORE DELIVERIES FROM THE SHOES THAT FIT COK GRANT

On Sunday January 11, COK Volunteer Center Managers Kim Plum and Sandy Wolfgang worked with COK School Liaisons Sue Marquart, Barb Weidman and Wanda Williams filling shoe orders for their assigned schools. Wanda has since delivered her collection of shoes to East Millsboro Elementary School.

Pictured in the photos below are Nurse Erica Jester (left photo) with Counselors Troy Morrison and Ciara Barksdale (right photo) accepting the shoes on behalf of their students.

Once again, COK was so fortunate to receive 1,000 pairs of shoes from SHOES THAT FIT which are making their way to the kids we serve.
