

## CLOTHING AND SHOE DELIVERY TO SUSSEX TECH

Look at that smile. In the photo below is Sussex Tech School Social Worker Brian Elliott. COK High School Buyer/Liaison Alyson Waldinger just dropped off an order which includes lots of shoes and clothing. So thankful to Brian looking out for the kids he sees in need and reaching out to COK for help in providing adequate school clothing to those students. Those kids will be so much more focused on learning by removing the barrier of insufficient clothing.

After Alyson's visit to Sussex Tech, she was on to Seaford High School to deliver an order there. Thank you Alyson for a job well done!
