WELCOME BACK TO SCHOOL

As we are already back to school in Sussex County, so many of you are working tirelessly to ensure our Golf Tournament is a great success. At the same time, others at the Center are already taking care of our Sussex County Students as they come back to school and need our help. The amount of time, energy, brain power and overall support you do for COK, and the results you drive in says it all. As we enter our new school year, we want to start it off by saying:

YOU ARE ALL RESPONSIBLE FOR THE SUPPORT WE PROVIDE TO ANY SUSSEX COUNTY STUDENT IN NEED. PAT YOURSELVES ON THE BACK AND KNOW YOU ARE APPRECIATED BY SO MANY PEOPLE. THANK YOU.

There have been several important projects that have occurred in the past few months to share including:

STUFF THE BUS IN MILLVILLE

Our second event was chaired by Monica Anthenelli and Diane Poletti of the Special Events Committee.

The first one last spring was such a success - we did it again. Held at Evans Park and we worked with our very special sponsor Jolly Trolley that provided the bus to fill.

We partnered with Sharon Brienza, Deputy Mayor, and Eileen Scerra, Township Manager, to make the event a success. Because of events like this, we had over 1600 items donated recently as schools reopened.

COK has had so many remarkable donations from our community including:

100 New Coats to prepare our students for winter

Gary Peterson on our Grant Committee submitted a grant request to Operation Warm out of Philly and COK received 100 Coats.

250 Pairs of Socks collected by a recent Cape Henlopen High School Graduate

He knew about our mission and our needs and reached out to his community to try and obtain 100 pairs of new SOCKS for our students in need. However, due to his passion and the community he works with, he was able to get us 250 pairs of new socks.

His teacher stated: "He is proof that it takes just one person with good intentions to inspire others, rally people around a cause, and make an extraordinary positive impact."

THE MILLSBORO CHAMBER COFFEE CONNECT WAS ALSO A GREAT EVENT IN JULY

To help spread the word of how Clothing Our Kids supports the Sussex County students, COK has joined the Millsboro, Lewes, and Rehoboth/Dewey Beach Chambers of Commerce. Volunteers Janice Fowler and Michele Rogers are the COK Representatives to the Millsboro Chamber. They hosted a Coffee Connect at the COK Volunteer Center for Chamber Members providing a visual display of how well stocked and organized our fulfillment Center is.

MARK YOUR CALENDARS:

Our 12th Annual Charity Golf Tournament
Monday, October 19th
Peninsula Golf & Country Club

Our Golf Tournament team has been in full SWING for months as we work to make sure it helps DRIVE in the resources and funds needed to take care of our Sussex County Students. There are so many Sponsors, Golfers and Volunteers already lined up while we continue to look for more help before we tee off on October 19. Check out our current Sponsor list here: [SponsorsGolftourn26-917.pdf](#)

We still need Sponsors and Gift Cards so please continue to reach out to your community, friends, family, business associates, and anyone you meet to ask for help. Here is a short video highlighting our event.
